### **6 Objectives and Projects for 2019.**

The forum exists to regenerate and promote the town as a great place to live, work and visit.

In line with this, a number of projects were proposed at the last forum meeting, which the forum might wish to take forward during 2019. The projects proposed are:

- Introduce an open space and leisure project utilising Westbourne Gardens and re introducing outdoor play areas.
- Safer cycling and new initiatives within Liskeard for a travel plan being produced by CC. A better path, (removing the steps) between the cycle route at the bottom of Old Road and up to New Road.
- The parade water fountain and new water fountains to support PFL.
- Birds and Bee boxes for Liskeard.
- Encouraging customers into Liskeard by fairer parking fees.
- Spring Clean Up 2019

We have had the additional suggestion of a literary festival for 2019.

Members, are asked to select projects the forum would like to promote, develop or support going forward for 2019.
