8. Look at possible grants the forum could apply for.

Liskeard Town Forum was setup to support the regeneration of the town. Working with other partners in the town, we will search current grants for those that might support our aims, or benefit the community, business or local groups.

If members find a grant they feel the forum could support, please raise it at the meeting.

We have listed any relevant grants in the appendix to this agenda, and more can be found on the following websites.
